

Hope Fellowship Recommended Counselors List

Our counseling philosophy is based on two main ideas: God did not intend for you to do life alone, and unless you have a place to be ruthlessly honest about yourself, you are not as healthy and whole as you can be.

We have developed relationships with some wonderful Christian counselors and therapists in the area. There is a cost involved on your part, but these are professionals we trust that will give you great guidance and godly principles. Feel free to contact them to check on price and availability. They are listed alphabetically.
